

CUMSA

INNOVATIVE SOLUTIONS
FOR YOUR MOLDS

SWAP MOLD VERSION FASTER

DIRECTLY THROUGH THE PARTING LINE

ACCESSORIES

EN

GREAT ADVANTAGES

EASY & FAST

Minimize mold manipulation, simplify maintenance and reduce production downtime.

PARTING LINE APPROVED

Avoid losing time when changing different mold designs, compromising production time and workers' safety.

AIR-SWAP SYSTEM

Simply apply air to the channel to switch the insert, no need to disassemble the mold or use any tools! (system operates between 6-8 BAR).

NEXT GENERATION REVOLUTION

Modular, multi-application solution that outperforms traditional methods, available in two sizes.

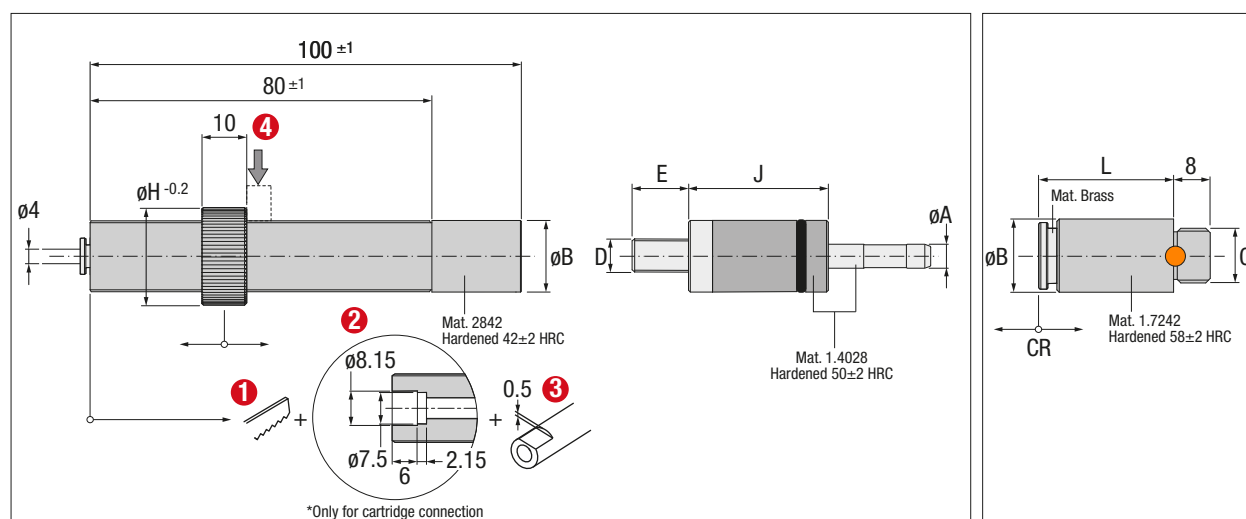

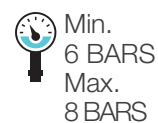

HIGH PRECISION AND ADAPTABILITY

Adjustable height ensures uniform, smooth results without variations every time.

MAXIMIZED EFFICIENCY & COST SAVINGS

Convert mold change time into increased production swap inserts in under a minute.
